

As I resume my weekend visitations to the parishes throughout our Diocese, I am pleased to announce that WHEC-Channel 10 and the *Catholic Courier* will work together so that, beginning next Sunday, August 2<sup>nd</sup>, the weekly televised Mass broadcast on WHEC will also be available through the Diocese of Rochester and the *Catholic Courier* websites.

I am grateful to Father Thomas Mull for his continued and very dedicated service in offering the weekly televised Masses. Next Sunday and the weeks that follow, Father Mull will offer Mass for the homebound or in healthcare facilities throughout the twelve counties of our Diocese.

To view these Masses, kindly find the links available on the Diocese of Rochester and the *Catholic Courier* websites.
